

UPM Ecolite

Want to gain a significant cost advantage? UPM Ecolite is a bright white, excellent alternative to very lightweight uncoated freesheet papers. It is best suited for religious books, financial printing, pharmaceutical and instructional leaflets, and high page count business to business catalogs.

FEATURES

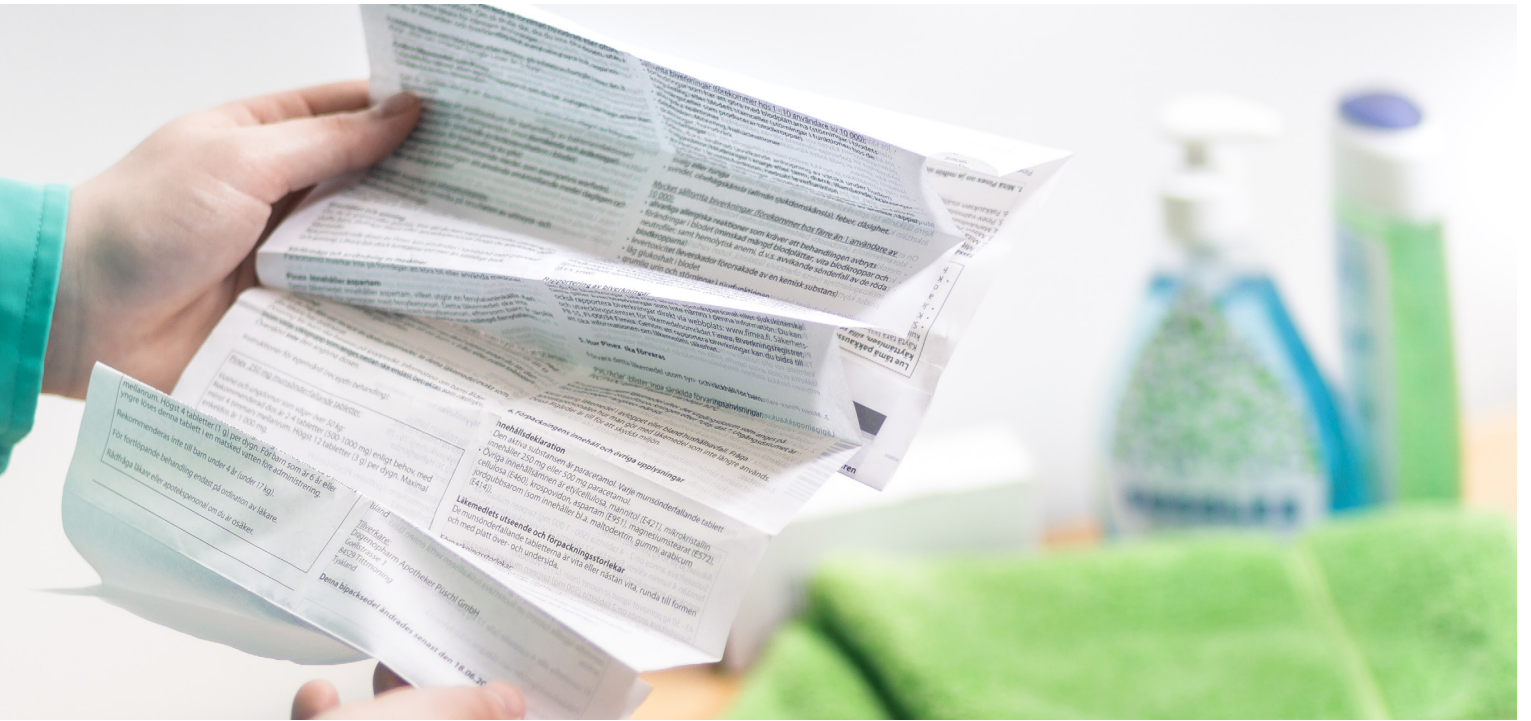

BRIGHTNESS	72–78
FINISHES	Machine finished
WEIGHT	Available in text weights ranging from 19.6–25.7 lbs.
GRADE	Machine finished specialty

BENEFITS

- Provides an economical alternative to very low weight uncoated freesheet papers
- Proven runability and strength characteristics promise excellent manufacturing productivity
- Light basis weights and high bulk create yield benefits of 20% to 30% less paper for the same number of pages

APPLICATIONS

Bibles, pharmaceutical leaflets, financial printing, instructional inserts.
